## VETERANS and OTHERS

Collier's Weekly.

Take a nine composed of what in baseball are commonly called veterans, and one composed of somewhat younger players, and amuse yourself speculating on which is the stronger. We have drawn up two nines, one of which is on the whole, distinctly younger than the other. Here they are:

Mathewson, Mullin, Ford, Johnson, Coombs, Adams Cole

Chance, FIRST BASE, Chase

Lajoie, SECOND BASE, Collins

Devlin, THIRD BASE, Lord

Wagner, SHORT-STOP, McInness

Clarke, Magee and Crawford, FIELDERS, Murphy, Spaker and Cobb

Of course, in any short series, victory would depend on the form of the moment, but which would be the more likely to win if the two nines were at the top of their game, or were to go through an entire season for a championship, the younger or the older?

## THREE RECEIVE CERTIFICATES OF GRADUATION

PENSACOLA CLASSICAL SCHOOL COMES TO SUCCESSFUL CLOSE—MISS MERRIAM FRIEDMAN WINS LAMAR DECLAMATION MEDAL.

Three young men, Henry Harvey, Alvin D. Dannheisser and Ernest A. Vinson, were given diplomas of graduation from the Pensacola Classical School, the commencement exercises being held in the auditorium of the school last night. Bertram Coleman, a graduate of last year, was given a certificate of a post-graduate course.

The hall was crowded to the doors with friends and relatives of the graduating students who were there to witness the presentation of the coveted diplomas. Prof. H. Clay Armstrong made a short yet forceful and tactful talk to the graduating class, telling them of the responsibilities that come with an education as well as the privileges. He urged them to always, in their every day life, remember the old word, fair-play. This, he said, would make them men of character and influence.

Lamar Medal Contest.

The declamation contest for the Lamar medal was one of interest to the many friends of the participants. The three contestants were at their best and their rendition of the pieces was an excellent effort. The judges, however, decided that Miss Merriam Friedman was the best and she was awarded the prize.

Miss Friedman's subject was The Famine from Hlawa. Mr. Bertram Coleman was Courier to the Czar, while Mr. Michael Strogoff was Webster's Reply to Hayne. The presentation of the medal was made by Dr. Schwarz.

The Honors.

The honors won by the students of the various classes were:

Tulane Scholarship, A. Dann.

Alumni medal, Mildred Brown.

Declamation prize, Merriam Friedman.

## REXALLS BEAT THE NO NAMES IN CLOSE GAME

ONE OF THE BEST GAMES PLAYED THIS SEASON WITNESSED ON THE NORTH HILL PLAY-GROUNDS.

A hotly contested game was witnessed on the North Hill Playgrounds yesterday afternoon, when the Rexalls won from the "No Names." The score was 3 to 2 and the game was "nip and tuck" from start to finish. With two men down and two strikes on the man at bat, Morgan stole home scoring for the Rexalls in the first part of the first. Johnson, twirling for the nameless ones, was in fine condition and seemed to have perfect control of the sphere. The next ball pitched was right in the middle of the groove over the pan; the batter failed to swing and the Rexalls took the field.

The "Pill Hustlers" saw at a glance that the "nameless ones" were not playing the game as they did a few days ago. They tightened up and after three of the No Names were up to bat they again came in to use the "big stick" and succeeded in getting in another run, making the score 2 to 0. Fuller scored in the last of the second and things seemed to brighten up again for the No Names. In the first part of the third the Rexalls failed to get around the bases. In the fourth each team scored one run, making a total of 3 to 2. The fifth was a shut out for both sides and the score remained as above.

The No Names have improved a great deal and are playing better team work. If the team continues to improve they will be among the leaders in the race for the cup. Several of the Rexall players are out of the city, but the boys put up a fine game in spite of the fact that some of the absent ones are among the best players on the team.

The John Whites and the Alagas will play this afternoon. The former have been getting in some hard practice and will evidently have a surprise in store for the Alagas. Oakfields and Car-wi-cos play Wednesday.

Mr. Volney Phillips has arrived and the field will be under his personal supervision from today until the closing of the league season.

Why is Sugar Sweet?

If sugar did not dissolve in the mouth you could not taste the sweet. GROVE'S TASTELESS CHILL TONIC is as strong as the strongest bitter tonic, but you do not taste the bitter because the ingredients do not dissolve in the mouth, but do dissolve readily in the acids of the stomach. Is just as good for Grown People as for Children. The First and Original Tasteless Chill Tonic. The Standard for 30 years, 50c.

	R	H	E
New York	4	4	3
Cleveland	1	4	4

Batteries—Quinn and Sweeney, James and Land; umpires, Connolly and O'Loughlin.

Washington 0, Chicago 4.

Washington, June 12.—White held Washington safe throughout today's game, their seven hits being separated through as many innings. Score:

## S.S.S. CURES BLOOD POISON

Contagious Blood Poison manifests itself in the most loathsome symptoms, such as ulcerated mouth and throat, copper-colored spots, and even sores and ulcers on different portions of the body. The poison causes the hair to fall out, and sometimes the glandular system is attacked. No medicine can cure Contagious Blood Poison which does not rid the circulation of every particle of the insidious virus. The least taint left in the blood will break out afresh when treatment is left off. S.S.S. is the real and certain cure for Contagious Blood Poison; it goes into the circulation, and by removing every particle of the poison, and adding, rich, healthy qualities to the blood, forever cures this powerful disorder. All who suffer with this disease may cure themselves in the privacy of their homes by using S.S.S. and following instructions contained in our Home Treatment Book, which we will send, together with any medical advice desired, free of charge. S.S.S. is for sale at drug stores.

## Are You Making Any Profit?

A great many persons work for someone else, and let the other fellow make all the profit on his labor. They spend all the money they earn, laying aside nothing extra for themselves for any emergency such as sickness and loss of employment. Too many spend all for living expenses and unnecessary pleasures and luxuries.

Such a person is not making his labor profitable. And there is something wrong somewhere when one does not save SOME PART of his income. The money you have left in the bank after paying all expenses is your profit. A bank account and payment of bills with checks will greatly assist you in showing larger profits each month. We'll be glad to talk the matter over with you.
